👤 PROFILE

Highly motivated and enthusiastic team player with the ability to streamline processes and effectively resolve project issues. Seeking a challenging position in a reputable organization to apply my learning and acquire new skills, contributing to team success and organizational growth.

🔗 TECHNICAL

- MERN Stack
- Next.js
- TypeScript
- Tailwind Css
- Python

🏆 EXPERIENCE

Intern – Xplocode Infotech
Jun 2025 – Jan 2026

Developed full-stack features using the **MERN** stack, building responsive **React/Next.js** interfaces and **Node.js/Express** APIs with **MongoDB** integration. Deployed applications using **AWS** and implemented **OAuth**-based authentication for secure access. Explored **Ollama** for local LLM integration in internal prototypes and assisted with debugging and deployment workflows.

🛠️ SOFTWARES

- Adobe
- Figma
- Github
- Microsoft Office

🎯 AREA OF INTEREST

- Web Development
- UI-UX Designing

📁 PROJECTS

• Xplocode Official Website | [demo](#) ↗

A corporate website created to present the company's services, brand identity, and digital offerings in a professional and structured manner, serving as an online presence for clients and partners.

• InOut Designs | [demo](#) ↗

A professional website built to showcase an interior design and architecture studio's projects, services, and design philosophy through a clean, minimal visual presentation.

• AravindVK – Magician Portfolio | [demo](#) ↗

A personal portfolio website designed to showcase the artist's profile, work, and achievements, providing visitors with a clear overview of skills and creative identity through a visually engaging format.
